Introduction: A Walker’s Guide

“Climb the mountains and get their good tidings. Nature’s peace will flow into you as sunshine flows into trees. The winds will blow their own freshness into you and the storms their energy, while cares will drop off like autumn leaves.” John Muir

Recreational walking is an outdoor pursuit enjoyed by millions of people throughout the world and Northern Ireland is widely recognised as an attractive destination with tremendous opportunities for unparalleled walking. Spectacular scenery with a diversity of landscape and physical features offer a simply unique walking experience.

John Muir’s quote above typifies what walking in Ireland is all about. This ‘Walker’s Guide’ is not going to ‘glam up’ our key walking areas by claiming that visitors need not pack anything other than shorts and t-shirts! Similarly we’re not looking to avoid any possible negative issues, such as access limitations to certain walks. Rather, this document is designed to be an informative walker’s guide to enable visitors to better enjoy the natural beauty of Ireland’s dramatic, rugged landscape all year round. Our ever-changing natural environment shapes the Irish walking experience and we are proud of having four distinctive seasons, each bringing their own inspirations.

Northern Ireland is rapidly becoming a ‘must see’ destination on the world map and in turn, some incredible landscapes are being revealed to walkers of all ages and abilities. Deceptively, this ‘wee’ country has numerous walking areas each offering their own distinctive take on natural beauty. From the rugged cliffs of the North Antrim Coast to the rounded summits and lush pastoral valleys of the Sperrin Mountains, Northern Ireland really is a walker’s paradise if you know where to look!

This Walker’s Guide will give you enough information to enable you to plan your walking trip and make your own discoveries in The Causeway Coast and Glens.
The Causeway Coast and Glens

“The grandeur of the rugged North Antrim Coast and the deep glens set against the pastoral farmland create other worlds away from busy life.” Dawson Stelfox, first Irishman to summit Everest.

The Causeway Coast and Glens are justifiably famous for the Giant’s Causeway, wonderful coastlines and a unique natural beauty. The area includes 3 designated areas of outstanding natural beauty, nine glens including Glenariff the ‘Queen of the Glens’, lush forest parks, secluded coastal tracks and numerous quaint fishing villages.

Exploring this world famous landscape on foot not only enables you to engage first hand with a breath-taking coastline; it also offers an escape from the crowds and the opportunity to lose yourself in the history and geology of an area which has inspired countless myths and legends. Walking on the Causeway Coast is mostly on relatively flat coastal paths and trails. Routes are linear with good transport and accommodation options.

When walking in the The Causeway Coast and Glens use the Ordance Survey Northern Ireland (OSNI) ‘Glens of Antrim’ and ‘Causeway Coast and Rathlin Island’ Activity Maps 1:25 000 available from OSNI. Also available for walking in the Causeway Coast are the OSNI sheets 4 & 5 1:50 000. You can also purchase these maps in most of the Visitor Information Centres, see page 21.
Walking Itineraries

There are many Quality Walks in the Causeway Coast and Glens area as part of the Quality Walk Scheme, accommodating all levels of fitness. Whilst the coastal walks on the Causeway Coast are stunning and very popular, there is also some excellent hillwalking in the Antrim Hills and Binevenagh, as well as wonderful walks around Glenariff Forest.

The WalkNI team have put their heads together and designed a variety of walking itineraries to enable visitors to get the best out of a short break in The Causeway Coast and Glens. We have put together 3 itineraries of what we judge to be the best walking in The Causeway Coast and Glens. There are of course many other combinations of walks and part of the joy of recreational walking is mixing and matching routes to create your own personal adventures. Use these itineraries as a guide.

The 3 suggested walking itineraries are:

• **Causeway Coast Way**
  This 2 day long-distance linear route, from Portstewart to Ballycastle, passes through the Causeway Coast Area of Outstanding Natural Beauty, several Areas of Special Scientific Interest and of course the Giant’s Causeway, a UNESCO World Heritage Site. Staying in coastal towns of Portstewart, Bushmills and Ballintoy, this 33 mile (53km) walk offers unparalleled views of the Atlantic Ocean, dramatic cliffs, sandy beaches and off-shore rocks. This really is one of Northern Ireland’s iconic walks.

• **Causeway Coast Highlights**
  A 3 day itinerary walking the best routes along the Causeway Coast and 1 day on Rathlin Island, reached by ferry. Bushmills provides a good base for the 2 days of coastal walking, with 1 night on Rathlin Island. Walkers can either use public transport to reach their start point and walk back or can set off from Bushmills and get public transport home again. Either option enables walkers to enjoy the spectacular Causeway Coast highlights in 2 relaxed days with a further day’s walking on Rathlin Island.

• **Antrim Hills Way**
  The Antrim Hills Way is a 2 day, 27 mile (43km) linear route through the Antrim Hills. The walk cuts a scenic route through the Antrim Coast and Glens Area of Outstanding Natural Beauty. It explores a high coastal plateau and encompasses some of the most enjoyable upland walking in County Antrim. Dramatic scenery, isolated hills and fantastic history are just some of the treats on offer. Walkers set off from Glenarm with Linford as the half way point. We have listed a number of accommodation providers who provide transfers to and from Linford and Slemish (end point for this walk).

Don’t just take our word for it. Check out some of the comments left by walkers on our WalkNI page.

If you are walking the Causeway Coast Way use Sheet 4 and 5 of the OSNI Discovery Series 1:50 000 available from local Visitor Information Centres (see page 21) or visit OSNI.

Beginning at St Patrick’s Well at the head of Portstewart Strand, this route follows the coastline via the cliff path as it passes the holiday resort of Portrush and the spectacular 16th Century Dunluce Castle before reaching Portballintrae. The walk continues alongside a section of the Giants Causeway and old Bushmills Railway to reach the Giant’s Causeway UNESCO World Heritage Site.

Where to Stay?

There are some great locations to stay in this area including Portballintrae, a picturesque fishing village, and Bushmills, a historic village with many pubs, restaurants and the home of Bushmills Whiskey.

Day 1: Portstewart to Portballintrae/Giant’s Causeway
15 miles (24.5 km)

The walk on day 1 takes walkers on the first 3 sections of the Causeway Coast Waymarked Way and has been hailed by many as one of the best coastal walks in Europe. Beginning at St Patrick’s Well at the head of Portstewart Strand, this route follows the coastline via the cliff path as it passes the holiday resort of Portrush and the spectacular 16th Century Dunluce Castle before reaching Portballintrae. The walk continues alongside a section of the Giants Causeway and old Bushmills Railway to reach the Giant’s Causeway UNESCO World Heritage Site.

Day 2: Portballintrae/Giant’s Causeway to Ballintoy/Ballycastle
16 miles (25.5 km)

Day 2 of this itinerary takes walkers round Benbane Head and past the ruins of Dunseverick Castle. This section of coast from the Giant’s Causeway to Dunseverick Castle is officially referred to as the North Antrim Cliff Path and is maintained by The National Trust. After reaching the tiny hamlet of Portbraddan, the route follows the sweeping sands of White Park Bay around a headland of jumbled boulders and sea stacks to the picturesque harbour at Ballintoy. A short detour here will take walkers to Carrick-a-rede with the opportunity of an exhilarating walk across the world famous rope bridge.

Note: The final 6 miles (10km) of the route, Ballintoy to Ballycastle, is all on-road. For many walkers this is not a highlight, so we suggest you cut the route short and finish at Ballintoy. However, some may want to finish at Ballycastle as this gives you the opportunity to go over to Rathlin Island on the ferry from Ballycastle. For information on Rathlin Island Ferries phone +44 (0)28 2076 9299.

Also note: It is worth checking the tide timetable for White Park Bay as this part of the walk can only be accessed at low tide (www.tidetimes.co.uk - check Ballycastle and Portrush). There is an alternative route along the A2 Whitepark Road however the walk along White Park Bay will certainly enhance your experience.

Portbradden is a beautiful small hamlet with stunning views out across Whitepark Bay. There is a local myth that Portbradden is the location of the smallest church in Ireland. Picturesque it might be, however it was originally a cow byre built in the 1950’s with the building mistakenly listed without adequate research. When the true facts emerged the church had to be de-listed! However, the myth lives on.

Day 1: Bushmills to Ballintoy

12.4 miles (20km)

The first day of the 'Causeway Coast Highlights' itinerary takes in the famous Giant's Causeway and some wonderful coastal views. From the cliffs past Benbane Head you look out not just on the Causeway itself but also over the wreck site of the Girona, one of the ships of the ill-fated Spanish Armada which foundered here in 1588. In good visibility you can even see Scotland's Mull of Kintyre and the Hebridean islands of Islay and Jura.

When the cliffs end, the path descends past the ruins of Dunseverick Castle and through a natural rock arch to reach the tiny hamlet of Portbradden. Beyond Portbradden the route follows the sweeping sands of White Park Bay to the picturesque harbour at Ballintoy. The adjacent tearooms are perfect for a coffee and snack.

**Full Route Description, Photos and Ordnance Survey Maps**

This is a linear route, so most walkers prefer to make their way to Ballintoy (ideally by bus) and walk back to their accommodation in the Bushmills area or vice versa. Check out the timetable for the Translink Antrim Coaster Bus (Service 252) which operates from March to October.

---

Day 2: Bushmills to Portrush

6.6 miles (10.6 km)

Day 2 is a moderate 7 mile (11km) walk taking in the stunning Dunluce Castle, the pretty village of Portballintrae, not to mention the jaw dropping coastal scenery along the way. Beach walking, through fields and coastal paths. This day’s walking is over a mix of terrain offering varied walking through simply breathtaking landscape.

Day 3: Rathlin Island

8-16 miles (12.9 - 25.8 km)

Day 3 incorporates a number of walking trails on Rathlin. Starting from the harbour the 4 mile (7km) Rathlin Trail will take you to the RSPB Seabird Centre located by the West Lighthouse. After an initial steep section out of the village, it is a fairly gentle walk on an almost traffic-free road. During the Summer months there is also the option to get the Puffin bus to the lighthouse operating from the harbour.

Once at the West of the island you can enjoy the Kinnamer North Walk (2.1 miles, 3.4km) which will take you through Keble Nature Reserve and features sections through rough terrain, with steep slopes providing amazing views of dramatic sea cliffs before returning along the edge of Kinnamer Wood. This can then be joined with the Keble Cliff Walk (1.9 miles, 3km) taking in the south of the island with stunning views of dramatic sea cliffs and of Ballycastle beyond. Walk back or catch the puffin bus back to the harbour, where you can explore the South of the island on the 4 mile (6.4km) Roonivoolin Walk. Experience the tranquility of the island as you venture south through the RSPB Roonivoolin Reserve where amazing views of the coastline can be enjoyed as well as wildlife such as seals, Irish hare and curlew.

**Day 1: Glenarm to Linford**

6 miles (9.5 km)

Starting in Glenarm the Antrim Hills Way climbs steeply out of the village to Black Hill at 381m and then leads south across a series of summits between 300m and 400m high. All these hills rise gently to the west but fall away steeply to the east, a conspicuous geological landform that is a legacy of the last ice age. The most striking formation is Sallagh Braes; a semi-circular basalt escarpment with wonderful views out to sea. Walkers are able to view the spectacular Sallagh Braes when arriving in Linford, at the end of this day’s walking.

**Did you know?**

Sallagh Braes is a vast natural amphitheatre of cliffs. In spring a carpet of bluebells covers the fields in the townland of Sallagh. The horseshoe of cliffs protects the flowers from the prevailing weather much as a forest would afford such protection.

Day 2: Linford to Slemish
16 miles (26 km)

The southern part of this route passes the Sallagh Braes and climbs the slopes of Agnew’s Hill (474m), crossing more high and exposed ground which can be boggy in damp conditions. The pinnacle of this day’s walking is reaching the distinctive Slemish Mountain at a height of 437m. Slemish, which is also the end point for this walk, is the highest point in the region and dominates the landscape for miles around. This route provides wonderful panoramic views for walkers over the Antrim Hills with coastal views stretching out as far as Scotland.

Did you know?
Slemish has a strong association with St. Patrick and has long been a place of pilgrimage on St Patrick’s Day (17th March). The mountain was the site of the saint’s slavery, where he spent 6 years herding livestock for Mulchi, the local chieftain. After 6 years he escaped but later returned to devote the remainder of his life to bringing Christianity to the Irish.

Where to Stay?
There are no transport links or accommodation at Slemish itself, however, below are some accommodation providers in the Broughshane area which may offer pick ups from Slemish if arranged in advance. A full list of accommodation can be found on www.visitcausewaycoastandglens.com and www.discovernorthernireland.com

Other Walking Options
The above itineraries are by no means an exhaustive list of all quality walking areas and routes in the Causeway Coast and Glens. This region is an extensive, varied destination allowing walkers to spend many trips exploring all the hidden nooks and crannies of the area. Here are 3 other exceptional routes / places that we believe are well worth a visit.

Glenariff
Meaning ‘Queen of the Glens’, is widely regarded as the most beautiful and striking of the 9 Glens of Antrim and offers the best and most extensive walking. 19th Century English novelist William Thackeray called it “a Switzerland in Miniature”, no doubt inspired by it’s waterfalls, rich woodland and steep, glacial escarpments. The main focus is Glenariff Forest Park (Tel: +44 (0)28 2955 6000) with its excellent network of signed trails and paths. A great way to start is to follow the Waterfalls Walk through Glenariff Forest Park. This steep-sided gorge is punctuated by a series of dramatic waterfalls including the impressive double-drop of Ess-na-Larach. The dense woodland and abundant moisture have created a verdant carpet of moss and ferns on the rock walls.

The Moyle Way
You can experience the best of the northern Glens of Antrim by following the 22 mile (35km) linear waymarked Moyle Way from Ballycastle south to Glenariff. Along the way the route, which is also part of the Ulster Way, winds past ancient monuments, across rivers and high mountain tops. In the final section the route walkers descend through the heart of Glenariff Forest Park and its many woodland waterfalls to finish on the Irish Sea coast in the village of Glenariff or by walking a further mile to the village of Cushendall. The Moyle Way Guide is available from www.walkni.com.

Mussenden Temple
Situated in Downhill Demesne, Mussenden Temple is located near Castlerock in County Londonderry. It perches dramatically on a 120ft cliff top, high above the Atlantic Ocean on the north-western coast of Northern Ireland, offering spectacular views westwards towards County Donegal and to the east towards Fair Head. This is truly an enchanting place. Please note National Trust entrance fee applies for entry to Mussenden Temple and Downhill Demesne.

Further Information on Walking in the Causeway Coast and Glens

Access and Protection

Many of the walking routes in the Causeway Coast and Glens are not formally designated public rights of way. Access depends on the goodwill and tolerance of local landowners. Walkers are advised to respect that they may be walking on private land and are encouraged to make themselves aware of and adhere to the principles of ‘Leave No Trace’. Below is some information on the organisation who strive to sustain the beauty of this unique landscape.

The Causeway Coast and Glens Heritage Trust

The Causeway Coast and Glens Heritage Trust is a partnership body established in May 2002 in order to promote and enhance the unique qualities of the Causeway Coast and Glens area. The trust aims to promote environmental management, in turn, protecting the unique heritage of the Causeway Coast and Glens area.

The Trust arose from the work of the Causeway Initiative which brought together a range of different organisations interested in the promotion of sustainable tourism in the Causeway Coast and Glens area. As part of this work, the initiative commissioned a ‘visitor and environmental management strategy’ which recommended the formation of a permanent Trust in order to promote visitor and environmental management and sustainable tourism in the area.

The Causeway Coast and Glens Heritage Trust has set up a management group for each of the three Areas of Outstanding Natural Beauty (the Causeway Coast, Antrim Coast and Glens and Binevenagh) with representatives from central government, local authorities and environmental, economic and community sectors. For each of the Areas of Outstanding Natural Beauty a management plan has been produced and is being implemented. For more information on the Causeway Coast and Glens Heritage Trust visit [www.ccght.org](http://www.ccght.org)
**Leave No Trace**

Leave No Trace is an Outdoor Ethics Programme designed to promote and inspire responsible outdoor recreation through education, research, and partnerships. As increasing numbers of people seek the beauty and exhilaration of outdoor recreation, our collective mark on the environment and its natural processes, increases. Litter, disturbance to vegetation, water pollution, wildlife, livestock and other people are all indicators of the need to develop a national ethic that protects both natural and cultural heritage. Techniques designed to minimise the social and environmental impacts to these areas are incorporated into the Leave No Trace Outdoor Ethics Education Programme as seven principles.

**The Seven Principles of Leave No Trace**

1. Plan Ahead and Prepare
2. Be Considerate of Others
3. Respect Farm Animals and Wildlife
4. Travel and Camp on Durable Ground
5. Leave What You Find
6. Dispose of Waste Properly
7. Minimise the Effects of Fire

Practising a Leave No Trace ethic is very simple: Make it hard for others to see or hear you and LEAVE NO TRACE of your visit. For more information on Leave No Trace, please visit [www.leavenotraceireland.org](http://www.leavenotraceireland.org).

**Outdoor Shops**

Lindsay’s Protective Clothing On Ballyrashane Road in Coleraine stocks a lot of good quality outdoor gear.

Porstewart Clothing Company located along the Promenade is a popular outdoor clothing store stocking mainly regatta clothing. Tends to be cheaper than other alternatives.

Outdoor Life on Seymour Street in Ballymoney caters for many outdoor pursuits. The store stocks many well-known brands suited to your outdoor needs.
